

PRIVACY POLICY

BYCODEC TEKNOLOJI LIMITED SIRKETI developed Project Drag. This Privacy Policy Sets forth how BYCODEC TEKNOLOJI LIMITED SIRKETI collects and uses your Personal Information and other information through the game Project Drag

If you do not agree with this Privacy Policy you must not use Project Drag.

PERSONAL INFORMATION COLLECTED

Personal Information is information or an opinion that identifies an individual. Examples of Personal Information are your name, address, email addresses and phone numbers.

BYCODEC TEKNOLOJI LIMITED SIRKETI does not request, collect, or record any Personal Information.

SENSITIVE INFORMATION

Sensitive Information is defined in the Privacy Act to include information or opinion about such things as an individual's racial or ethnic origin, political opinions, membership of a political association, religious or philosophical beliefs, membership of a trade union or other professional body, criminal record or health information.

BYCODEC TEKNOLOJI LIMITED SIRKETI does not request, collect, or record any Sensitive Information.

Children's Privacy

Project Drag is not directed to children under the age of 13.

Real Time Location Information

BYCODEC TEKNOLOJI LIMITED SIRKETI does not collect precise information about the location of your mobile Device.

Analytics

Google Analytics for Firebase and BYCODEC Analytics

Google Analytics for Firebase is a service provided by Google Inc.

Project Drag uses Google Analytics for Firebase to collect game usage and technical data. BYCODEC TEKNOLOJI LIMITED SIRKETI uses this data to help us understand our users and improve Project Drag .

Please visit the web page <https://firebase.google.com/support/privacy?hl=en> for more information on how Google uses the data.

BYCODEC Analytics is a service developed by BYCODEC TEKNOLOJI LIMITED SIRKETI to analyze the user behavior by their anonymous data. BYCODEC TEKNOLOJI LIMITED SIRKETI does not collect any Personal Information. The information collected is anonymous and cannot be matched with any individual.

How your device is identified:

You may access our Project Drag on your mobile phones, tablets, and other wireless computing devices ("Device")

BYCODEC TEKNOLOJI LIMITED SIRKETI does not request, collect, or record any data on your Device, to identify your Device. Instead, we produce a random GUID number for your Device to use in our analytics.

ADVERTISING

BYCODEC TEKNOLOJI LIMITED SIRKETI uses third-party advertising networks and services to display advertising in Project Drag.

When you play Project Drag you allow third-party advertising networks and services to serve and deliver Ads to You and your Device as part of their services. You also allow third-party advertising networks and services to access, index, and cache requests made from Project Drag to their services.

In order to serve advertisements (including personalized advertisements), advertising networks and services may use and track the advertising ID or unique mobile identifier from the Device (for example, Android Advertising ID and Advertising Identifier (IDFA) for iOS). Advertising networks and services may also use your IP address, track your interaction with advertisements, and use other technology to optimize the delivery of advertisements to You.

GOOGLE ADMOB

Google AdMob is an advertising service provided by Google Inc.

Please visit the web pages below for more information on how Google uses the data. Google Advertising privacy policy: <https://policies.google.com/technologies/ads> How Google uses the data: <https://policies.google.com/technologies/partner-sites>

PUSH NOTIFICATIONS

Project Drag uses push notifications. If you do not wish to receive push notifications from Project Drag, you may opt out by changing the notification settings on your mobile Device.

OTHER THIRD-PARTY SERVICES

When you play Project Drag you may sign in with third-party services such as GooglePlay Games, Apple Game Center, and Azure PlayFab to access certain features of theGame, such as Achievements, Leaderboards, and Cloud Save Games. By doing so you allow the Game to access your player nickname, player ID, and upload your Game progress information.

OPT OUT

You may disable Google Play Games or Game Center sign in from your mobile Device Settings.

CLOUD STORAGE

BYCODEC TEKNOLOJI LIMITED SIRKETI does not store any personal information but uses Azure PlayFab to store game profiles of the players. Please visit the web page <https://playfab.com/terms/> for more information on AzurePlayFab.

Online Multiplayer

You may choose to play Project Drag online together with other players. To provide this service, game data must be transmitted over the internet to other players. We do not request your Personal Information to provide this service. However your nickname will be displayed to other players. You may choose to change your nickname from the Settings in your Project Drag profile. We use Photon to provide multiplayer services.
